Anti-Bullying Policy

Statement

Robertstown Primary School will provide a safe, inclusive, supportive and ordered learning environment free from bullying, harassment and violence. Bullying, including cyber bullying, harassment and violence, is not acceptable in this school and will be dealt with seriously and expeditiously.

The school will work with the school community and other services and agencies to support its students in being responsible and productive members of this community.

Robertstown Primary School Values are Caring, Respect, Responsibility, Getting Along and Honesty. We will endeavour to embed these across all areas of learning and through our school’s Code of Conduct.
Anti-Bullying Policy

Definitions

NATIONAL DEFINITIONS DEVELOPED BY THE MCEEDYA SAFE AND SUPPORTIVE SCHOOL COMMUNITIES MANAGEMENT GROUP

Definition of Bullying
Bullying is repeated verbal, physical, social or psychological behaviour that is harmful and involves the misuse of power by an individual or group towards one or more persons. Cyber-bullying refers to bullying through information and communication technologies.

Conflict or fights between equals and single incidents are not defined as bullying.

Bullying of any form or for any reason can have long-term effects on those involved including bystanders.

Definition of Harassment
Harassment is behaviour that targets an individual or group due to their identity, race, culture or ethnic origin; religion; physical characteristics; gender; sexual orientation; marital, parenting or economic status; age; ability or disability and that offends, humiliates, intimidates or creates a hostile environment. Harassment may be an ongoing pattern of behaviour, or it may be a single act.

Definition of Discrimination
Discrimination occurs when people are treated less favourably than others because of their race, culture or ethnic origin; religion; physical characteristics; gender; sexual orientation; marital, parenting or economic status; age; ability or disability. Discrimination is often ongoing and commonly involves exclusion or rejection.

Definition of Violence
Violence is the intentional use of physical force or power, threatened or actual, against another person (s) that results in psychological harm, injury or in some cases death. Violence may involve provoked or unprovoked acts and can be a single incident, a random act or can occur over time.

**Anti-Bullying Policy**

**Restorative Conferencing**

Recognises that bullying is a violation of people and relationships and aims to identify obligations and promote restoration and healing.

It is a way of responding to conflict which –
- supports those affected
- allows for understanding of the wrong doing
- gives ownership of the problems created
- gives people the chance to fix things with support
- respects people and leaves their dignity intact.

Teachers need to do the background research into the incident/s and the offender needs to accept responsibility for their behaviour before a successful restorative conference can be held.

**Restorative Conferencing notes**

A conference is set up by a Teacher / Principal between all parties involved which includes peer support i.e. SRC rep/ friend

The aim of the conference is -

1. To allow the target to express their feelings so that the impact of the behaviour is felt and understood by the offender.
2. To allow the person accused of bullying to acknowledge the behaviour, accept responsibility and agree to change it.

An Agreement, which has outcomes that satisfy all involved, is the aim. A template copy of the Restorative Agreement can be found in the Appendix.

They are asked the questions below in the order the convenor of the meeting thinks will produce the best outcomes.

They will be told the questions they will be asked before the meeting so they have time to reflect on them.

The meeting convenor will take notes of the answers and outcomes on the Restorative Agreement form.

**Restorative Conference Questions**

1. What happened? What were you thinking at the time? What do you think about it now?
2. Who was affected?
3. What needs to be done to fix this? We agree that...
4. How will we handle things if this happens again?
