Quote: *When the world says “Give Up”, Hope whispers “Try one more time”.* (Unknown)

On Friday, June 2nd I had the opportunity to take our Year 5 & 7 children to Eudunda to participate in the Lightning Carnival. They displayed a great attitude of not giving up and trying their best. Well done. Thankyou to Lorraine, who also helped transport the children.

On Tuesday, the school had a Pupil Free Day. Mrs Schutz and I joined in with Eudunda to do some more professional learning on Growth
Mind Set – it’s not always the end result that counts, but the process along the way. Something might be challenging, but we try – not give up. Our Year 5 & 7 children displayed an excellent Growth Mind Set during the Lightning Carnival – stepping out of their comfort zone and accepting a new challenge. What did you try hard at today?

Next week, Lynda Olsen, Amanda Keller and Renee Pearson will be very busy as they are making our Pasty Slices and Apple Pies. Thankyou to everyone who ordered and a big thankyou in advance to those who are helping to make them.

Keep warm on these cool nights.

*Sue Stacey*
*Acting Principal*

**NEWS FROM THE CLASSES:**

**Lower Primary**
In Maths we have been practising our number skills of counting, addition and multiplication using a deck of cards. Another activity included a box of smarties where we had to predict how many smarties we thought were in the packet as well as how many of each colour there were.

Tamika predicting the colour smarties, recording prediction and then checking answer
Beau using a deck of cards to create plus sums and practising multiplication

**Upper Primary**
Hi. We have had another busy 2 weeks. Firstly, we joined Eudunda Area School for the Lightning Carnival and had a great day. Mrs Schutz kept us very busy in Week 7 completing our Science posters and this completed our Unit of Work on the Desert Survival and now we are starting ‘Light Fantastic’.

We also completed our narrative work, which included our children’s book. Our next genre that we will be studying is Exposition which we will link with HASS – Federation – Government. We are planning a visit to Parliament House to have a tour and watch them debate at question time. This should be interesting. Yesterday we travelled to Eudunda Area School to view a performance about ‘In Strength & Resilience – The Magic in the Mayhem’. A big thank you to Jodi Kotz for driving.

This week we also listened to a story about the Woman Weaver and we did some weaving and learnt about caring for others.

Thanks for reading our news item. From Mrs. Schutz and the Yr 5-7 class.

**Preschool**
This term one of our focuses is “Healthy Eating”. We have looked at sometimes foods and everyday foods. In Week 5 we had a healthy breakfast at Preschool. We were able to try all sorts of different fruits, which we had with yoghurt. We also made toast and scrambled eggs. We are also making fruit kebabs and vegetable soup. We have also been reading lots of Mem Fox books.
Robertstown Playgroup
Session time Wednesday 9am –11am at Preschool
On the following dates:
22nd June, 6th July
ALL WELCOME

ROBERTSTOWN PRIMARY SCHOOL
Recipe Books
We have just completed a rerun of the second recipe book (yellow cover, made in 1985). They are available from the School or Community Centre ($15 each or 2 for $25.00).

The Census of Population and Housing is occurring this year on the 9th of August, 2016. The Census provides important information about the Australian population. The data it produces is used to support funding decisions for services and infrastructure including education.

The ABS is currently looking for 2,000 field officers across South Australia to undertake important Census field work. Experience has shown that hiring local members of the community provides the best results for the ABS and positively influences the way the Census is carried out in the area. A Census Field Officer’s duties may vary, depending on their assigned area. Job seekers from diverse backgrounds are encouraged to apply.

If you’re community minded, comfortable using a computer, mobile or tablet device, are an Australian Citizen or have the legal right to work in Australia, then jump online and apply today at abs.gov.au/careers.

Keep your kids smiling
At the School Dental Service, dental care is FREE for all babies, children not yet at school and most children to age 17.
The School Dental Service is a Child Dental Benefits Schedule provider.
